The Remuneration Report for the Board of Management and the Supervisory Board for the financial year 2019 has been prepared in accordance with the requirements of the revised EU Shareholder Rights Directive, as implemented into Dutch law on 1 December 2019. Pursuant to this new legislation, the General Meeting will have an advisory vote on the remuneration report. The remuneration report is included in the 2019 annual report on pages 105-114 and also published separately on Fugro's corporate website. Agenda item 5a

Discharge of the members of the Board of Management for their management

It is proposed to discharge the members of the Board of Management in office during 2019 from all liability in relation to the exercise of their duties in the financial year 2019, to the extent that such exercise is apparent from the financial statements, the announcements during a general meeting or other public disclosures prior to the adoption of the 2019 financial statements.

Agenda item 5b

Discharge of the members of the Supervisory Board for their supervision

It is proposed to discharge the members of the Supervisory Board in office during 2019 from all liability in relation to the exercise of their duties in the financial year 2019, to the extent that such exercise is apparent from the financial statements, the announcements during a general meeting or other public disclosures prior to the adoption of the 2019 financial statements.

Agenda item 6a

Adoption of the remuneration policy for the Board of Management

According to the new legislation implementing the EU Shareholder Rights Directive, the remuneration policy for the Board of Management shall be submitted to the AGM for adoption every four years. The current policy was adopted by the shareholders in 2014 and has since been adjusted twice, most recently by the AGM in 2017.

Based on an evaluation of the remuneration policy by the remuneration committee and feedback from stakeholders, the Supervisory Board has decided not to adjust the remuneration policy other than required by the EU Shareholder Rights' Directive. Therefore, the current policy with a few amendments is submitted to the AGM for adoption. For more information on the remuneration policy and the amendments as of 2020 reference is made to the remuneration report on page 105-114 of the 2019 annual report. The remuneration report is also available on www.fugro.com as a separate document.

Agenda item 6b

Adoption of the remuneration policy for the Supervisory Board

According to the new legislation implementing the EU Shareholder Rights' Directive, the remuneration policy for the Supervisory Board shall be submitted to the AGM for adoption every four years. The current remuneration of the Supervisory Board was determined by the AGM in 2011 and has not been changed since.

Based on advice by the remuneration committee, the Supervisory Board has drawn up the remuneration policy for the Supervisory Board as of 2020. The proposed policy is broadly in line with the existing practice, with a few amendments. Reference is made to the remuneration report, included in the 2019 annual report and published on www.fugro.com.

Agenda item 7a

Composition of the Supervisory Board: Reappointment of Mr. Harrie Noy

Mr. Noy is due to step down from the Supervisory Board at the end of the AGM on 30 April 2020 when his second four-year term expires. Mr. Noy is eligible and available for reappointment. Mr. Noy complies with the statutory regime limiting the number of supervisory positions that may be held by supervisory directors under section 2:142a of the Dutch Civil Code, the independence criteria of the Dutch Corporate Governance Code and he fits the profile drawn up by the Supervisory Board.

In accordance with its profile and rules, the Supervisory Board proposes to reappoint Mr. Noy as member of the Supervisory Board for an additional two-year term. This will provide continuity, also considering the fact that Mr. Schönfeld is stepping down earlier than scheduled. When Mr. Noy is reappointed, he will continue to be the chairman of the Supervisory Board.

Agenda item 7b

Composition of the Supervisory Board: Appointment of Mr. Ron Mobed

It is proposed to appoint Mr. Ron Mobed as a member of the Supervisory Board for a period of four years with effect from 30 April 2020, ending by close of the AGM to be held in 2024. He has been involved in companies which provide information and data analytics, among others related to energy. Mr. Mobed was trained as a petroleum engineer and has worked for many years at Schlumberger in various key technical, IT, commercial and general management roles. He has extensive international experience,

In accordance with its profile and rules, the Supervisory Board proposes to appoint Mr. Mobed as member of the Supervisory Board for a four-year term.

Agenda item 8

Reappointment of auditor to audit the 2021 financial statements

The general meeting is the corporate body authorised to appoint the (external) auditor that will audit the financial statements of Fugro. Ernst & Young Accountants LLP (EY) was first appointed in 2015 to audit the 2016 financial statements. At the AGM held on 26 April 2019 EY was reappointed to audit the 2020 Financial Statements. In line with the recommendation of the audit committee and the Board of Management and in line with applicable legislation, the Supervisory Board proposes to reappoint EY to audit the 2021 financial statements.

Agenda item 9a

Authorisation of the Board of Management to grant or issue (rights to acquire) shares up to 10% for general purposes

It is proposed that the Board of Management be designated, in accordance with section 2:96 of the Dutch Civil Code, as the corporate body which is authorised for a period of 18 months as of 30 April 2020 until 30 November 2021, to, subject to the approval of the Supervisory Board, resolve on the issue of – and/or on the granting of rights to acquire ordinary shares and/or all sorts of financing preference shares in which the authorised capital of Fugro is divided at the date of the relevant resolution. The authorisation of the Board of Management with respect to the issue of ordinary shares and financing preference shares and/or the granting of rights to acquire ordinary shares and financing preference shares will be limited to 10% of the issued capital of Fugro at the time of the issue. If granted, this authorisation will replace the authorisation granted at the 2019 AGM.

Agenda item 9b

Authorisation of the Board of Management to limit or exclude pre-emption rights in respect of shares in connection with agenda item 9a

Further, it is proposed that the Board of Management be designated, in accordance with section 2:96a of the Dutch Civil Code, as the corporate body which is authorised for a period of 18 months as of 30 April 2020 until 30 November 2021 to, subject to the approval of the Supervisory Board, limit or exclude pre-emption rights in relation to any issue or grant of (rights to acquire) ordinary shares and all sorts of financing preference shares in which the authorised capital of Fugro is divided at the date of the relevant resolution. The authorisation of the Board of Management with respect to the limitation or exclusion of pre-emption rights in relation to any issue or grant of (rights to acquire) ordinary shares and all sorts of financing preference shares will be limited to a number of ordinary shares and financing preference shares amounting to 10% of the issued capital at the time of the issue. If granted, this authorisation will replace the authorisation granted at the 2019 AGM.

Agenda item 9c

Authorisation of the Board of Management to grant or issue (rights to acquire) shares up to 10% in connection with or on the occasion of mergers, acquisitions and/or strategic partnerships

In addition to the authorisation referred to under a. , it is proposed that the Board of Management be designated, in accordance with section 2:96 of the Dutch Civil Code, as the corporate body which is authorised for a period of 18 months as of 30 April 2020 until 30 November 2021, to, subject to the approval of the Supervisory Board, resolve on the issue of and/or on the granting of rights to acquire ordinary shares and/or all sorts of financing preference shares in which the authorised capital of Fugro is divided at the date of the relevant resolution. This authorisation will be limited to 10% of the issued capital of Fugro at the time of the issue and may only be used in connection with or on the occasion of a merger, acquisition and/or strategic partnership. If granted, this authorisation will replace the authorisation granted at the 2019 AGM. There will be no request for authorisation to limit or exclude the pre-emption rights for this additional 10%.

The authorisation of the Board of Management to issue shares and limit or exclude pre-emption rights is an annually recurring item because the Board of Management considers it in the interest of Fugro and its shareholders to be able to react in a timely manner when certain opportunities arise that require the issue of shares. Therefore, the Board of Management would like to have the authority to issue shares when such occasions occur, and to exclude the pre-emption rights in situations where it is imperative to be able to act quickly, without having to request the prior approval of Fugro's shareholders, for which an extraordinary shareholders' meeting would have to be convened which would take valuable time or create disruptive market speculations.

Agenda item 10

Authorisation of the Board of Management to repurchase own shares

It is proposed that the Board of Management be authorised, in due observance of the statutory requirements, for a period of 18 months as of 30 April 2020 until 30 November 2021, to, subject to the approval of the Supervisory Board, cause Fugro to repurchase (certificates of) its shares in its own capital, up to a maximum of 10% of the issued capital at the date of acquisition, provided that Fugro will hold no more (certificates of) shares in stock than at maximum 10% of the issued capital, either through purchase on a stock exchange or otherwise, at a price, excluding expenses, not lower than the nominal value of the shares and not higher than 10% above the average of the closing price of the certificates of the shares on Euronext Amsterdam for the five business days preceding the date on which the repurchase is made. This authorisation to repurchase (certificates of) own shares, provides the Board of Management the required flexibility to fulfil its obligations deriving from employee option and share plans, stock dividend or for other purposes. If granted, this authorisation will replace the authorisation granted at the 2019 AGM.
